Local expenses

Taxi receipts under forty US dollars do not need a manager signature. Keep original receipts attached to the monthly expense report. Meals during local client meetings are capped at 25 USD per person. Expense reports are due on the fifth business day of the following month.

Travel

International travel requires VP approval at least ten calendar days ahead. The per diem for international trips is 75 USD per day. Business class flights are allowed only if in-air time exceeds eight hours. The company card limit for individual contributors is 3000 USD.
